Last Updated: Apr 15, 2026

1. Introduction

These Terms of Service (“Terms”) govern your access to and use of the website, platform, applications, and all related services (collectively, the “Services”) provided by **Fliply Technologies Ltd**, a company incorporated under the laws of the British Virgin Islands (“Fliply Technologies Ltd,” “we,” “us,” or “our”), accessible through <https://fliply.market> (the “Site”) and any associated mobile applications, browser extensions, or other interfaces.

These Terms, together with our Privacy Policy (available at <https://fliply.market/privacy>), constitute a binding agreement between you and us. By accessing, using, or otherwise interacting with the Services, you acknowledge that you have read, understood, and agree to be bound by these Terms and the Privacy Policy. If you do not agree to these Terms, you must immediately cease all use of the Services.

IMPORTANT PLATFORM CLASSIFICATION NOTICE: Fliply is a **skill-based prediction market aggregator and competitive tournament platform**. Fliply is **NOT** a gambling, betting, wagering, casino, or lottery service. The Services involve prediction markets that require skill, knowledge, research, and analysis of publicly available information. Outcomes are determined by real-world events and user skill in analyzing publicly available information, not by chance.

IMPORTANT NOTICE: PLEASE READ THESE TERMS CAREFULLY. BY ACCESSING OR USING THE SERVICES, YOU AGREE TO BE BOUND BY THESE TERMS, INCLUDING THE BINDING ARBITRATION AGREEMENT AND CLASS ACTION WAIVER IN SECTION 16. IF YOU DO NOT AGREE, DO NOT USE THE SERVICES.

2. Description of the Services

2.1 Platform Overview

Fliply is a prediction market aggregator and skill-based tournament platform built on the Solana blockchain. The Services enable users to participate in prediction market tournaments using trading pairs sourced from Polymarket. Fliply aggregates and displays prediction market data and organizes competitive tournament-style gameplay around these prediction markets.

2.2 Regulatory Status

Fliply does not operate a cryptocurrency exchange, securities exchange, derivatives exchange, or commodities exchange. Fliply is not registered as a broker-dealer, investment adviser, money services business, money transmitter, or payment services provider in any jurisdiction. Fliply does not provide financial, investment, legal, or tax advice. The Services are provided for entertainment and skill-based competition purposes. Nothing in the Services constitutes a solicitation to buy or sell any financial instrument, security, commodity, or digital asset.

2.3 Polymarket Integration

All trading pairs, prediction markets, and market data displayed on the Services are sourced from Polymarket. The resolution, settlement, and dispute resolution of all prediction markets available on the Services are governed entirely by Polymarket's rules, mechanisms, and oracle systems. Fliply does not independently resolve, settle, or adjudicate any prediction market outcomes. You acknowledge and agree that Fliply bears no responsibility for market resolution outcomes, and any disputes regarding market resolution must be directed to Polymarket through its prescribed dispute resolution process.

2.4 Tournament Mechanics

Fliply organizes skill-based tournaments using prediction market trading pairs sourced from Polymarket. Tournaments may include free-entry tournaments ("Freeroll Tournaments") and paid-entry tournaments. Paid tournaments require an entry fee, from which Fliply charges a **Platform Service Fee of 10%**. The remaining entry fees constitute the tournament prize pool. Fliply reserves the right to modify the Platform Service Fee at any time with prior notice to users.

Tournament prize pools constitute competition prizes awarded based on skill and prediction accuracy. Prize pools do not represent investment returns, dividends, profit-sharing arrangements, or any form of passive income. Participation in tournaments does not constitute an investment in Fliply or any affiliated entity.

2.5 Fliply Points (FP)

Fliply Points ("FP") are a loyalty and engagement mechanism within the Fliply ecosystem. FP are earned through platform participation and may be used as entry currency for certain tournaments. **FP have no monetary value, are not redeemable for cash or cryptocurrency, are not transferable, and are not connected to any token, cryptocurrency, or digital asset. Fliply makes no promises, representations, or guarantees regarding any future airdrop, token distribution, or conversion of FP into any form of value.** FP are solely loyalty points and do not represent any equity, ownership, revenue share, or financial interest in Fliply or any affiliated entity. Fliply reserves the right to modify, suspend, or terminate the FP program at any time without prior notice or liability.

2.6 Non-Custodial Nature

Fliply does not hold, store, control, or have custody of your funds or digital assets at any time. Users authenticate via email through Privy, which creates an embedded wallet for each user. All funds are deposited, held, and managed within your Privy wallet, and all transactions are executed through the Privy wallet infrastructure. Fliply has no access to your private keys, cannot reverse or modify any transactions, and cannot access or control your wallet balance. You are solely responsible for the security and management of your Privy wallet and all associated credentials. Fliply does not guarantee the value, stability, or redeemability of any digital asset, including stablecoins such as USDC.

2.7 Transaction Transparency

All transactions conducted through the Services are recorded on the Solana blockchain and are publicly verifiable. Fliply is committed to full transaction transparency.

If you are a resident, citizen, national, or agent of a Restricted Jurisdiction, or if you are accessing the Services from within a Restricted Jurisdiction (a “Restricted Person”), you are strictly prohibited from using, accessing, or interacting with the Services. The use of a virtual private network (“VPN”) or any similar tool to circumvent or attempt to circumvent these restrictions is strictly prohibited.

However, **Fliply reserves the right to implement identity verification procedures at any time, including but not limited to KYC checks, if required by applicable law, regulation, or governmental order, or if Fliply determines such verification is necessary to comply with its legal obligations or to prevent fraud, money laundering, terrorist financing, or other illicit activity.** If you fail to provide requested verification information within the timeframe specified by Fliply, your access to the Services may be suspended or terminated.

4.4 Account Termination

We may immediately suspend or terminate your access to the Services, at our sole discretion, without prior notice, if: (a) you violate these Terms; (b) you engage in prohibited conduct; (c) you access the Services from a Restricted Jurisdiction; (d) we are required to do so by applicable law or governmental order; or (e) we reasonably believe your account is associated with fraudulent or illicit activity.

For termination for any reason other than the above, we will provide at least **fifteen (15) days' prior notice** via email. 6. Fees

Fliply currently charges no fees for accessing or browsing the Services, no fees for individual predictions, and no fees on individual trades. Fliply charges a **Platform Service Fee of 10%** on tournament entry fees for paid tournaments. The Platform Service Fee is deducted from the tournament entry fee before the remaining amount is allocated to the tournament prize pool.

You may also incur blockchain network transaction fees (gas fees) when depositing or withdrawing funds to or from your Privy wallet. These fees are determined by the Solana network and are not controlled by Fliply. Fliply is not responsible for any network fees incurred by you.

Fliply reserves the right to introduce, modify, or discontinue any fees at any time. Material changes to fee structures will be communicated to users through the Site or via email at least **fifteen (15) days** prior to taking effect.

7. Tournament Rules & Cancellation Policy

7.1 Tournament Participation

By entering a tournament, you agree to abide by the specific rules, format, and structure of that tournament as displayed on the Services at the time of entry. Tournament rules may vary and Fliply reserves the right to modify tournament structures at any time.

7.2 Tournament Cancellation & Refunds

Fliply may cancel, suspend, or modify a tournament in the following circumstances:

- **Technical Failure:** If a material technical error, system outage, or smart contract malfunction affects the fairness or integrity of a tournament, Fliply may cancel the tournament and refund all entry fees to participants.
- **Insufficient Participation:** If a tournament does not meet the minimum number of participants required, Fliply may cancel the tournament and refund all entry fees.
- **Market Resolution Issues:** If the underlying Polymarket prediction markets are cancelled, voided, or subject to dispute, Fliply may cancel or modify the affected tournament accordingly.
- **Force Majeure:** If events beyond Fliply's reasonable control prevent the completion of a tournament, Fliply may cancel the tournament and refund entry fees on a pro-rata basis.

Refunds of tournament entry fees will be processed to your Privy wallet within a reasonable timeframe. The Platform Service Fee may or may not be refunded at Fliply's sole discretion depending on the circumstances of the cancellation.

7.3 Tournament Disputes

If you have a dispute regarding a tournament result, you may submit a dispute request to **info@fliply.market** within seven (7) days of the tournament's conclusion. Fliply will review the dispute and respond within fifteen (15) business days. Fliply's decision on tournament disputes shall be final and binding, except as otherwise required by applicable law.

Self-exclusion requests are irrevocable for the duration of the selected period.

9. Risk Disclosures

15. Indemnification

You agree to defend, indemnify, and hold harmless Fliply and its officers, directors, employees, agents, affiliates, and licensors (the "Fliply Parties") from and against any and all claims, damages, losses, liabilities, costs, and expenses (including reasonable attorneys' fees) arising out of or relating to: (a) your access to or use of the Services; (b) your violation of these Terms or any applicable law or regulation; (c) your User Content; (d) any dispute between you and any third party; or (e) your negligence or willful misconduct.

The exclusive jurisdiction for any disputes not subject to arbitration shall be the courts of the British Virgin Islands.

The seat of arbitration shall be the British Virgin Islands.

16.3 Pre-Arbitration Dispute Resolution

Before initiating any arbitration proceeding, the disputing party must first send a written notice describing the nature of the claim and the desired resolution to the other party. The parties shall use good-faith efforts to resolve the dispute within sixty (60) days of receipt of such notice before commencing arbitration.

16.4 Class Action Waiver

YOU AND FLIPLY AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR OR ITS INDIVIDUAL CAPACITY AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS, COLLECTIVE, OR REPRESENTATIVE ACTION. Unless both you and Fliply agree otherwise, the arbitrator may not consolidate or join more than one person's claims and may not preside over any form of consolidated, representative, or class proceeding.

16.5 Exceptions

Notwithstanding the foregoing: (a) either party may seek injunctive or other equitable relief in a court of competent jurisdiction to prevent the actual or threatened infringement of intellectual property rights; and (b) disputes that qualify for small claims court may be brought in such court.

19.2 Severability

If any provision of these Terms is found to be unlawful, void, or unenforceable, that provision shall be deemed severable and shall not affect the validity and enforceability of the remaining provisions. The unenforceable provision shall be replaced by an enforceable provision that comes closest to the intent of the original.

19.3 Waiver

The failure of Fliply to enforce any right or provision of these Terms shall not constitute a waiver of such right or provision. Any waiver must be in writing and signed by an authorized representative of Fliply.

You may not assign or transfer any of your rights or obligations under these Terms without the prior written consent of Fliply. Fliply may freely assign or transfer these Terms without restriction.
